STUDENT COUNCIL

This year's Student Council began the year by selling brand-new "Crimson Tide" bookcovers and thus giving Pottsville High a new look.

The Council continued its year with the traditional Penny-A-Week collections and succeeded in being able to distribute more than two hundred packages to the needy of the community.

Another traditional activity of the Council was the participation in the Winter Carnival. This year, the Council built a float which they entitled "The Brotherhood of Man." They also sponsored a brass group similar to Chicago in the Winter Carnival Talent Show.

A new activity started by the Council this year was the Senior Lounge. The lounge was located in the cafeteria during all of the study halls except periods 4, 5, and 6. The lounge was limited to fifteen seniors on a first-come, first-served basis. It has proved to be successful.

The Council this year was composed of 42 hard-working, dependable representatives, one from each homeroom, under the leadership of:

P. A. H. S. CHEERLEADERS — 1972 - '73

The 1972-'73 Cheerleading Squad of the Pottsville Area High School began their year by attending cheerleading camp at Cedar Crest College for one week during the month of July. With them they brought back many rousing cheers and rhythmic chants. Besides presenting various spirit-raising skits at pep rallies this year, they produced lively cheering competition through the return of the famed spirit stick. In addition to this, the cheerleaders marched with the band at football games and parades.

Not only did they enhance student participation and inject spirit through their cheering abilities, but also they sold stickers and held victory dances. Junior Varsity cheerleaders, advised by Miss Barbara Krupa, did their part by making signs and decorating for pep rallies.

Upon completion of the year, the seniors received sweaters, juniors received megaphone necklaces, and the J. V.'s received emblems.

The varsity cheerleaders are capably advised by Miss Ellen Hildreth.

CONCERT CHOIR

The Concert Choir, a group of 85 students selected from the sophomore, junior, and senior classes, serves in many capacities. Not only do they perform two concerts, both very well, and to capacity audiences, but they also sing for many of the civic organizations of Pottsville.

In addition to performing in the Christmas and Spring Concerts, the Concert Choir performed for the combined service clubs of Pottsville in December, caroled for the shut-ins in both our local hospitals, video-taped a program of Christmas music for Station WLYH - TV in Lebanon, and performed at many other dinners, meetings, and social gatherings.

The Concert Choir sang, as is customary, for the Baccalaureate Service held for the Senior Class, adding the proper setting for the occasion.

This year there were five members of the Concert Choir who were selected to attend the District Chorus Festival at William Allen High School in Allentown: Jill Beury, Art Bobbs, Anthony Downey, Robert Rescorla, and Rick Walters. They all profited from this experience under the very capable baton of Mr. Richard Thorn, their director.

Thirty-one students sang in the Second Annual Schuylkill County Chorus Festival held at Minersville High School and directed by Allen Flock of Bucknell College.

Under the direction of Mr. Francis M. Portland, the Concert Choir had a most successful year and has shown very promising signs for future years.

POTTSVILLE AREA HIGH SCHOOL BAND

The Marching Band completed what is generally agreed to have been its most successful season in history this year. With the addition of twelve new flags, the band and band front numbered 176 this season. Attired in brand new uniforms, the band performed at all P. A. H. S. football games plus the Hamburg King Frost Parade, placing fifth; the Greater Pottsville Winter Carnival Parade, winning the "most outstanding Schuylkill County Band" award for the third consecutive year; and various local parades and functions. A highlight of the season was the band's participation in its own "Festival of Bands," which was sponsored by the Crimson-Aides. Bands from Blue Mountain, Shamokin, Lourdes, and Upper Perkiomen High Schools, in addition to our band, performed their shows at Veterans Memorial Stadium.

The band this year operated with two basic shows: "The Years of Rock—Those Were the Days" and "The Sights and Sounds of Television," featuring well-known TV themes. They also performed a special show entitled "Campaign '72" the weekend before the national election.

The Concert Band performed a Christmas concert and two concerts during the spring season. In keeping with the organization's reputation of programming challenging music, Robert Jager's "Chorale and Toccata," Leonard Bernstein's "Candide Overture," and Clifton Williams' "The Sinfonians" were among the compositions on this year's programs.

Gemma Coulson and Mary Zugzda, B^b clarinet; Paul Miller, percussion; and John Michalski, trombone, represented P.A.H.S. at Eastern District Band at Tamaqua High School. Paul Miller, Gemma Coulson, and Mary Zugzda were the band's representatives at Region II State Band at William Allen High School, Allentown. Gemma Coulson and Paul Miller participated in Eastern District Orchestra at Trexler Junior High School, Allentown. Twenty-five band members participated in Twin Valley Band at Schuylkill Haven High School.

SOPHOMORE GIRLS' CHOIR

This group, although small in number, is not so in their efforts of striving for better music. They performed very well in both the Christmas and Spring Concerts; and with their earnest desire to sing well, they are certainly an asset to the vocal music program.

The Highland Lassies, attired in new uniforms and playing new bagpipes, added color and uniqueness to the band front. In addition to performing at all functions involving the band, the Highland Lassies also marched and played in the annual St. Patrick's Day parade in Allentown. The sixteen pipers and four drummers this year played special arrangements of "Scotland, the Brave," "Amazing Grace," "Cluster," and "America."

A highlight for the girls was the August visit of Pipe Major L. J. Grant-Alexander, piping instructor at the Citadel, Charleston, S. C., who conducted an all-day clinic.

FRESHMAN CHOIR

This energetic group, numbering 101 freshmen, serves primarily as a training group for those people who would like to audition for Concert Choir.

However, their quality goes beyond that of such a group; for they performed excellently in both the Christmas and Spring Concerts. With this type of talent, the quality of the Concert Choir can only be improved from year to year.

DISTRICT MUSIC REPRESENTATIVES

Participating in the Eastern District Band this year were Gemma Coulson, Mary Zugzda, Paul Miller, and John Michalski. District Band was held at Tamaqua Area High School with host conductor, Mr. Robert Hunt and guest conductor, Mr. Frank Piersol from the University of Iowa. These students were selected from over 1,500 other students from five other counties who auditioned in October. Three of these students, Gemma, Mary, and Paul, were selected to participate in State Band held at Allentown. Next year, District Band will be held in Pottsville.

This year there were five students representing Pottsville Area High School in the Eastern District Chorus Festival at Allentown, and two in the Region II State Chorus Festival at Eastern. Richard Thorne, educational director for J. W. Pepper and Sons, Inc., directed the 135-voice chorus at the District Chorus Festival held at William Allen High School on January 18, 19, and 20, 1973. The members of the Chorus were selected through an audition including approximately 500 students. Following a re-audition, two students from our high school were selected to attend the Region II State Chorus Festival held on March 1, 2, and 3 at Easton Area High School. Mr. Gail Poch, assistant director of Choral Activities at Temple University, directed that chorus. The students who participated in the District Chorus Festival were Jill Beury, Arthur Bobbs, Anthony Downey, Robert Rescorla, and Richard Walters. Anthony Downey and Richard Walters attended the Region II State Chorus Festival. All felt that the experience gained from these events was beneficial both musically and socially, and strongly encourage others to participate in these festivals.

1972 FOOTBALL SEASON

TIDE '72 ended the year with a 6-5 record, winning the last two games to insure a positive season. All through the year the team bounced back after tough losses and bad breaks.

The seniors of '73 will be missed, but hopefully the Tide will continue the winning tradition next season. Good luck and continued success to Coach Flynn and the rest of the coaching staff.

POTTSVILLE 19 — BLUE MOUNTAIN 24

The '72 football season got off to a bad start because of a 24-19 upset by Blue Mountain. The loss clouded a fine performance by Quarterback Mike Keating who scored two touchdowns and Emerson Carter who scored the other TD and played a tough game on defense. Other Crimson players who contributed greatly on both offensive and defensive units were Bob Wood, Tom Glenn, and Rick Richards. You haven't heard the last of the Crimson Tide!

POTTSVILLE 27 — MAHANOEY AREA 14

The Tide journeyed to Golden Bear land in an attempt to even their record at one and one. The trip proved successful with Pottsville registering a strong 27-14 victory. The defense limited Mahanoy to two second-quarter touchdowns and shut out the Bears the whole second half. The offense was in the capable hands of Howard Wilson and Emerson Carter. Wilson ran for a 29-yard touchdown in the second quarter, while Carter produced three touchdowns. There was an exciting 85-yard run that gave the Tide the lead in the third quarter. Strong line play by Foley, Wood, Glenn, and Shields on offense and Richards, Bedway, Carter, and Cremia on defense helped to wear down Mahanoy throughout the game.

POTTSVILLE 14 — TAMAQUA 7

Those who entered Veterans' Stadium for the PAHS - Tamaqua game could not have expected that they would have witnessed one of the most exciting football games ever played in Pottsville. It started with Emerson Carter scoring on a 15-yard run with Steve Gall converting to make it 7-0 Pottsville in the first quarter. It then became a defensive struggle until the third quarter when Tamaqua scored to tie the game. Later, with less than a minute to play, Tamaqua began to threaten again. The Tide defense would have to make a big play. It did. Mark Alonge intercepted a sideline pass and returned 65 yards to score the winning touchdown in a well-earned victory.

POTTSVILLE 6 — PANTHER VALLEY 33

Pottsville High visited Panther Valley and came out on the short end of a 33-6 score. Although the Panthers possessed an explosive offense plus all the other qualities of a good all-around team, the Tide was not physically outclassed. Turnovers hurt the Tide more than the Valley boys did. Four turnovers plus 50 yards in penalties stopped the Pottsville offense. Despite this, Howard Wilson did score on a one-yard plunge. In addition, Emerson Carter, who gained 50 yards on ten carries, Gary McCall, and Ed LaSelva played fine games regardless of the score.

POTTSVILLE 12 — SHAMOKIN 6

Pottsville fought through the mud and water as only the Crimson Tide could to edge a tough Shamokin Indian team 12 to 6. Not even the rain could stop the P. A. H. S. passing attack. Mike Keating threw two second-quarter touchdown passes. One went to tight end Bob Rescorla, covering seven yards. The second touchdown, set up by Joe Ginther's pass interception, was good for 24 yards to Bill Madrigal. The defense, led by LaSelva, Ginther, and Cremia, took care of the rest. It limited the Indians to one third-quarter touchdown, thus assuring the Tide of an extremely satisfying victory.

POTTSVILLE 9 — MOUNT CARMEL 27

With the help of a stubborn defense, the return of Kevin Keating, and an all-out effort by the whole squad, P. A. H. S. came as close as a called-back touchdown to defeating the unbeaten Tornadoes of Mount Carmel. The final score, 27 to 9 in favor of the Mounts, did not nearly indicate the true performance of the Tide. Pottsville scored first on a two-yard run by Emerson Carter. This was set up with a fumble recovery by Randy Bedway. The Tide defense continued to pressure Mount Carmel throughout the first half. In the second half, the Crimson appeared to have scored the go-ahead touchdown, only to have it called back because of a penalty. Pottsville managed to score a safety later in the fourth quarter, but the clock then ran out on the Tide.

POTTSVILLE 16 — SHIKELLAMY 7

The Crimson Tide scalped the Shikellamy Braves 16 to 7 with the aid of an alert defense and an outstanding performance by Emerson Carter. The "Red Wave" took advantage of every possible opportunity. Bob Wood intercepted a pass and Tom Glenn and Emerson Carter each recovered fumbles to stall Brave drives. Carter romped 34 yards with his fumble recovery to score his second touchdown. The other came on a 55-yard run from scrimmage.

POTTSVILLE 13 — HAZLETON 17

A stubborn Hazleton team came to Pottsville and left with a 17-13 victory. The Tide scored a first-quarter touchdown by Emerson Carter and was marching toward another, thanks to a blocked punt by Tom Glenn, when the drive was halted after reaching the Mountaineer fifteen. After that, P. A. H. S. didn't seem like the same team. Hazleton became opportunists and took advantage of a disputed first down from inside the Tide one-foot line to push across what proved to be the winning touchdown. Kevin Keating scored later in the quarter to set the final score.

POTTSVILLE 21 — WILLIAM ALLEN 25

Let it not be said that Pottsville High hasn't provided its fans with an exciting brand of football. Again the Crimson Tide was within reach of victory until the final minutes of play. The winning Allen score came after Pottsville appeared to have won a dramatic victory. The Tide kick-return team, led by Joe Ginther, Kevin Keating, and Fred Wonn, excelled all night, giving P. A. H. S. good field position to start its touchdown drives. Those touchdowns were made by Emerson Carter, Kevin Keating, and Mike Keating. Steve Gall was 3 for 3 in points after touchdown.

POTTSVILLE 14 — NORTH SCHUYLKILL 0

The Tide conquered the North Schuylkill Spartans 14-0 in a game that saw the Pottsville running game become almost unstoppable. Both touchdowns were scored on the ground. Emerson Carter scored on a 44-yard run in the second quarter and Ed LaSelva ran 10 yards in the final quarter for the second touchdown. Steve Gall converted the extra point both times. The offensive line, Glenn, Wood, Shields, Richards, and Foley, must be given credit for its fine blocking throughout the game. If the offense was unstoppable, the defense had to be considered unbearable. The Crimson stopped two North Schuylkill drives in the first quarter and smashed the Spartans the rest of the way.

POTTSVILLE 26 — READING 6

For the last game of the season P. A. H. S. came through with a beautiful combination of offense and defense and crushed Reading 26-6. Mike Keating finalized a long first-quarter drive with a one-yard sneak. In the third quarter, Tom Glenn recovered a fumble to help set up the second Pottsville touchdown. With a pass to Steve Gall getting the Tide deep into Reading territory, Emerson Carter ran the remaining 15 yards for the score. Still in the same quarter, Joe Cremia recovered a fumble that led to Kevin Keating's one-yard run. Emerson Carter later scored his second touchdown in the fourth quarter on a 10-yard run to make the score 26-6. The entire defensive unit played a great game, not allowing a Reading first down in the first half, and giving up one for the entire game.

1972 CROSS COUNTRY

The 1972 Pottsville Area Cross Country team under the direction of Mr. John Liddle finished a rewarding season with a well-earned 8-5 dual meet record. Although called inexperienced in the beginning of the year, the Tide runners, led by its lone senior, Captain Rick Devaney, gained valuable knowledge in the early meets and polished their talents with each improving performance.

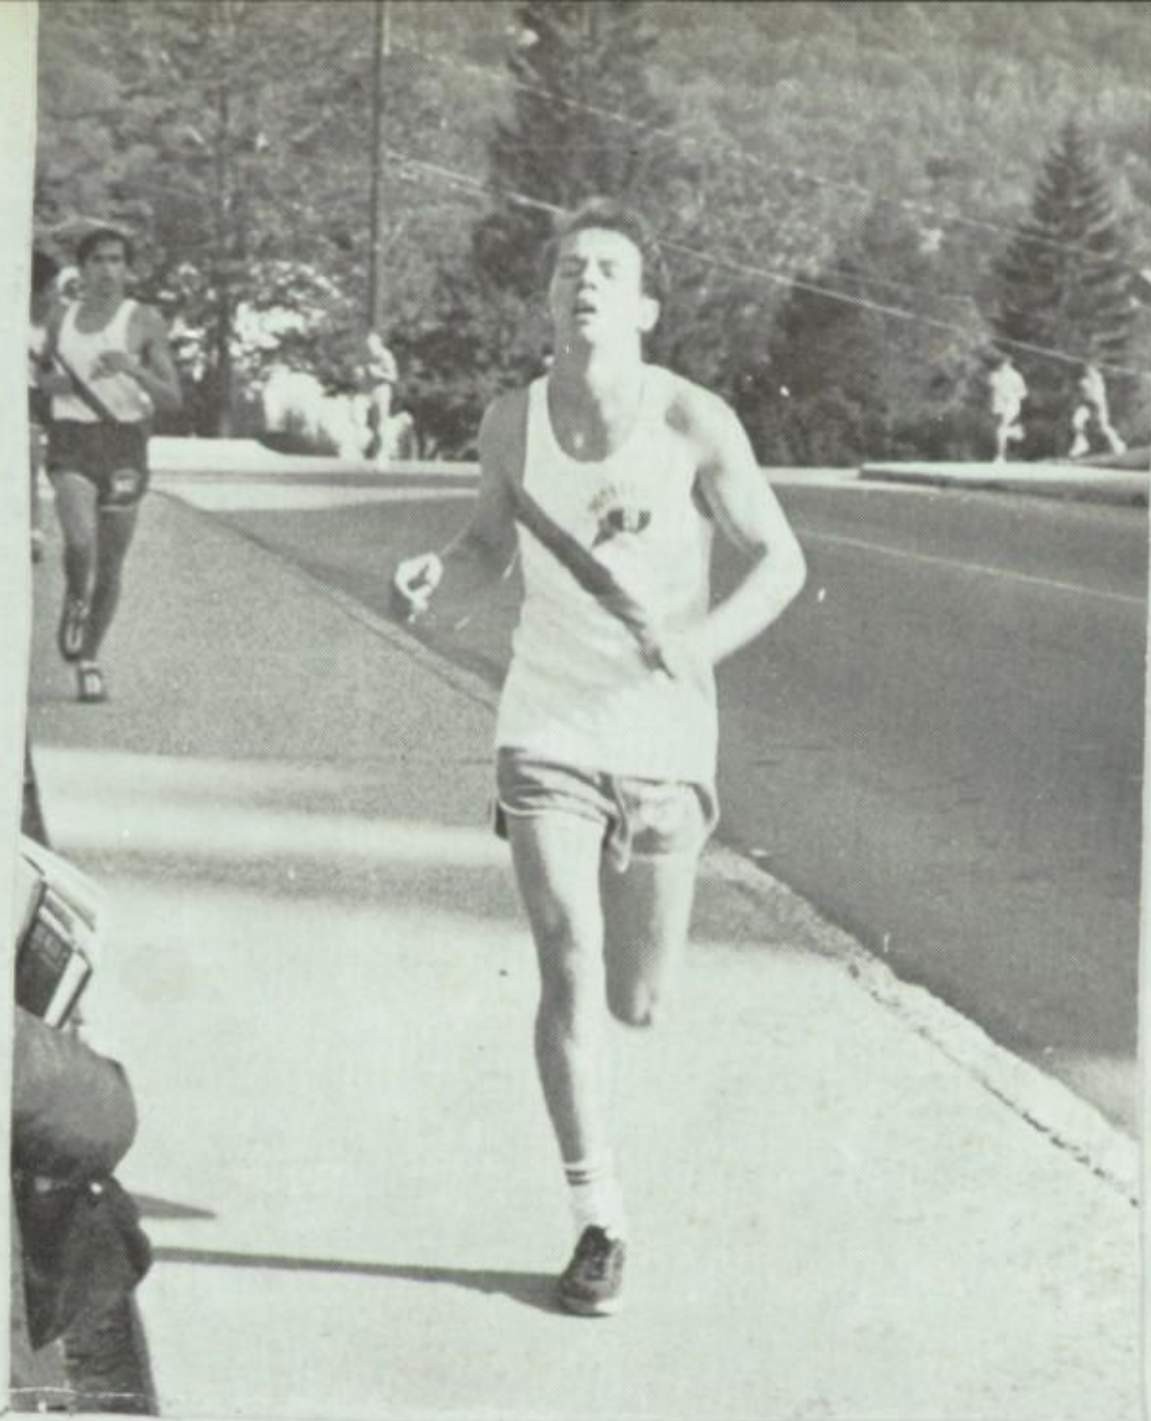

Devaney, who won the Team Standing Championship based on season-long accomplishment, triumphed in six of Pottsville's dual meets. Dave Baxter, sophomore, was voted Most Consistent Runner for his work throughout the season. He was the highest Pottsville finisher in the League and District meets. Ted Jasinski, junior, was a valuable point-getter throughout the schedule and should be one of the finest runners in the county next year. Along with these runners there were five other letter winners. They were: Brian Tonitis (J), Kyle Jefferson (S), Todd Kline (S), Ron Mauger (E), and Bom Messina (S.).

With seven of the eight lettermen returning, next year's squad should run to success. If the hard work and training that went out for the '72 season continues into '73, P. A. H. S. will again be blessed with a great season. Good luck to Coach John Liddle. May he continue to keep Cross Country one of the school's most successful sports.

1972-1973 VARSITY BASKETBALL

Led by Coach Kline the 1972-1973 basketball team finished the season with a respectable 11-11 record. The Tide, competing in the East Penn League, came through with victories in both the first and second halves that were based on all-out efforts through sheer hustle and desire. Once again quickness proved to be the Crimson's trademark and many a team left Martz Hall with a dazed and forlorn look. Pottsville outscored its opponents 1280 to 1258 and had 716 rebounds to its opponents' 699.

One major factor in the team's success was the play of Co-captain Allen Holtzer. The sparkplug of the team scored 441 total points with 364 of these coming in league play, making him the league scoring champ. Allen also grabbed 211 rebounds and 57 steals, both team-leading accomplishments.

Besides Holtzer, the Tide was blessed with four other fine players from the Class of '73. Co-captain Jim Sweeney, Larry Haberle, Bruce Heffner, and Mike Sanders all were valuable members of the squad and each had fine performances throughout the season.

With the Tide's second and third leading scorers, John Burch and Tom Francavage, plus two other players who had starting experience, Ed Mady and Pat Flannery returning, the Tide should again be one of the more exciting teams in the East Penn League. The Junior Varsity produced a 12-8 record with many of its members considered as strong hopefuls for helping next year's team.

Congratulations to Coach Kline, Mr. Steidle, J. V. coach, and Mr. Powers, Freshman coach, on their successful seasons.

1972 - 1973 GIRLS' BASKETBALL

The 1972-'73 edition of the P. A. H. S. Girls' Varsity Basketball Team completed another successful season by posting a 13-3 slate. The only losses were to Marian and Pine Grove, who went on to become overall winners in their respective divisions.

This year's team was characterized by outstanding offensive and defensive teamwork. The girls made use of their rebounding control and set up many fast breaks. Led by Tri-Captains Claudia Davis, Paula Lord, and Debbie Shuman, the team scored a total of 890 points as compared to their opponents' combined total of 630. Each member of the starting five contributed over 100 points with scoring honors going to sophomore Debbie Haag with 180 points and runner-up laurels going to junior Diane Gross.

With the return of many promising underclassmen, Miss Hildreth can be sure of another great season to come.

1972-1973 WRESTLING

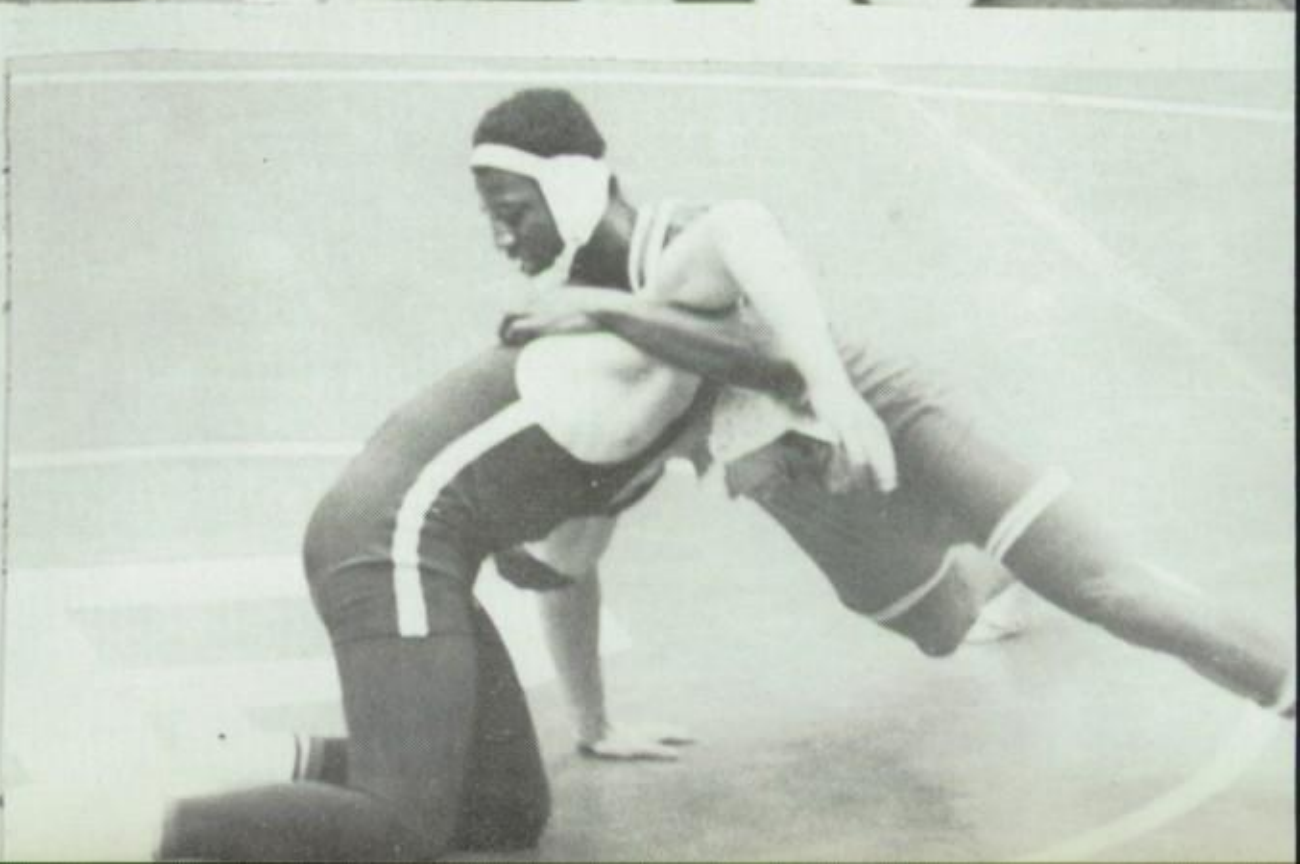

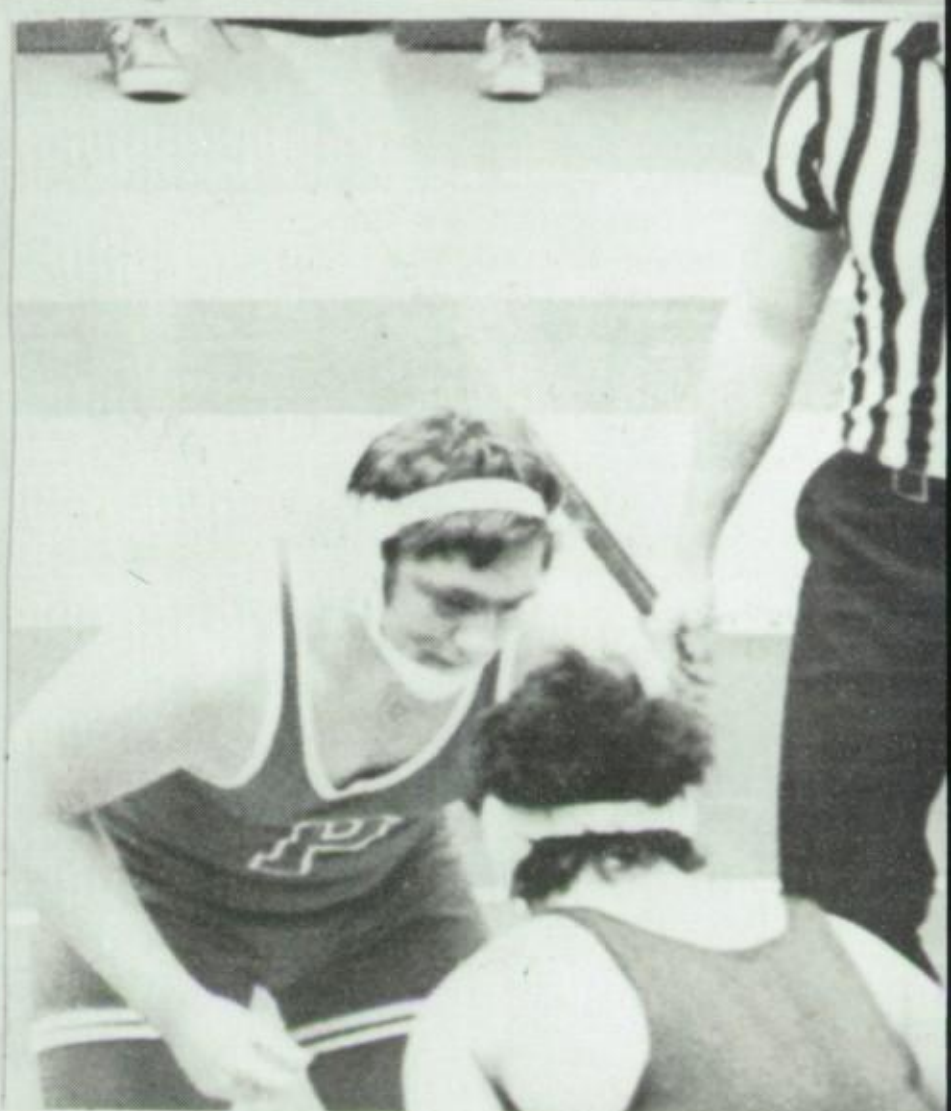

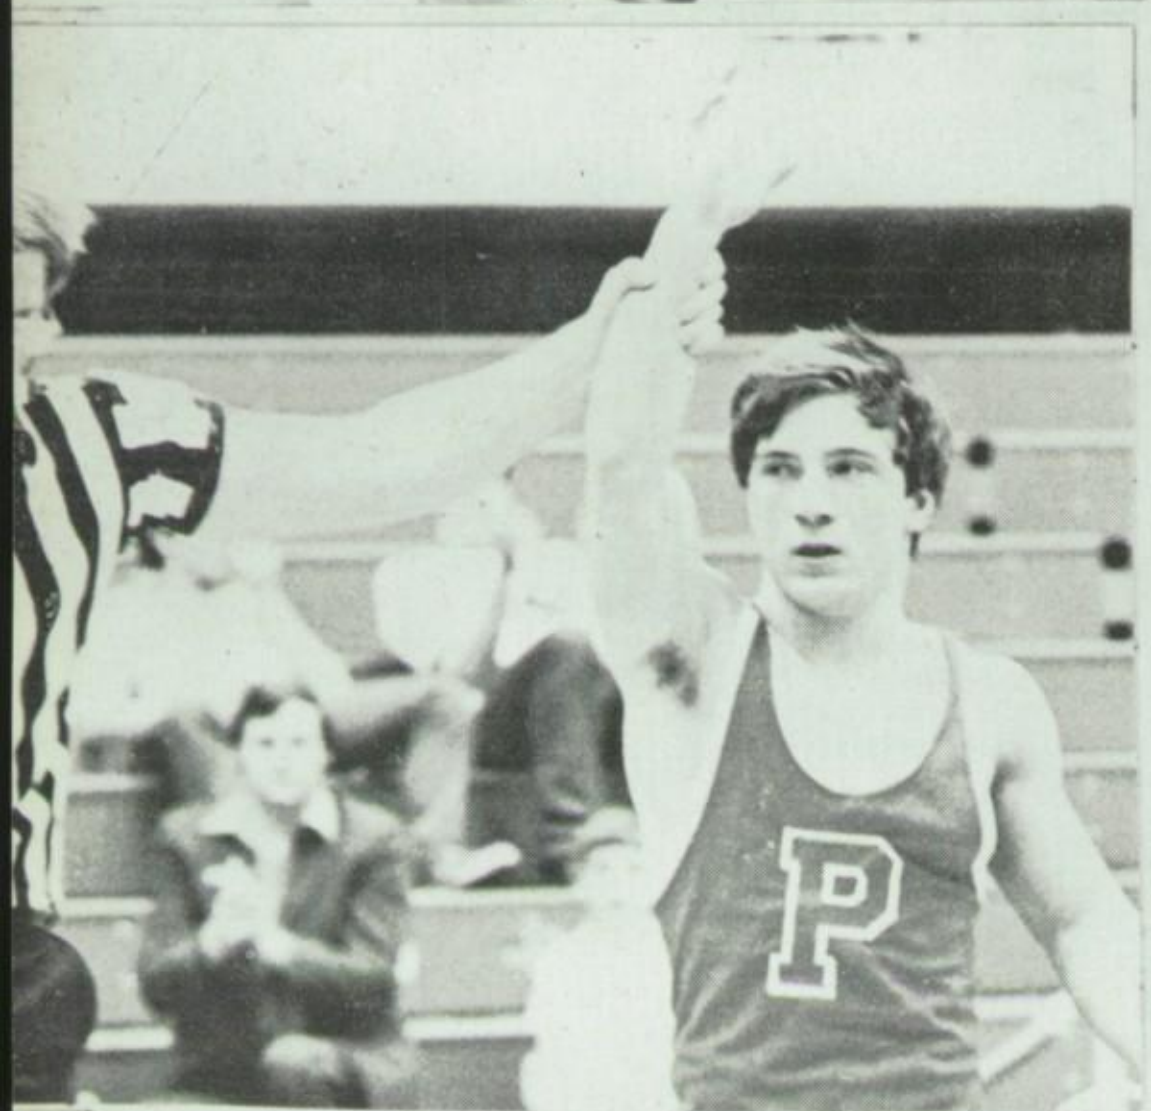

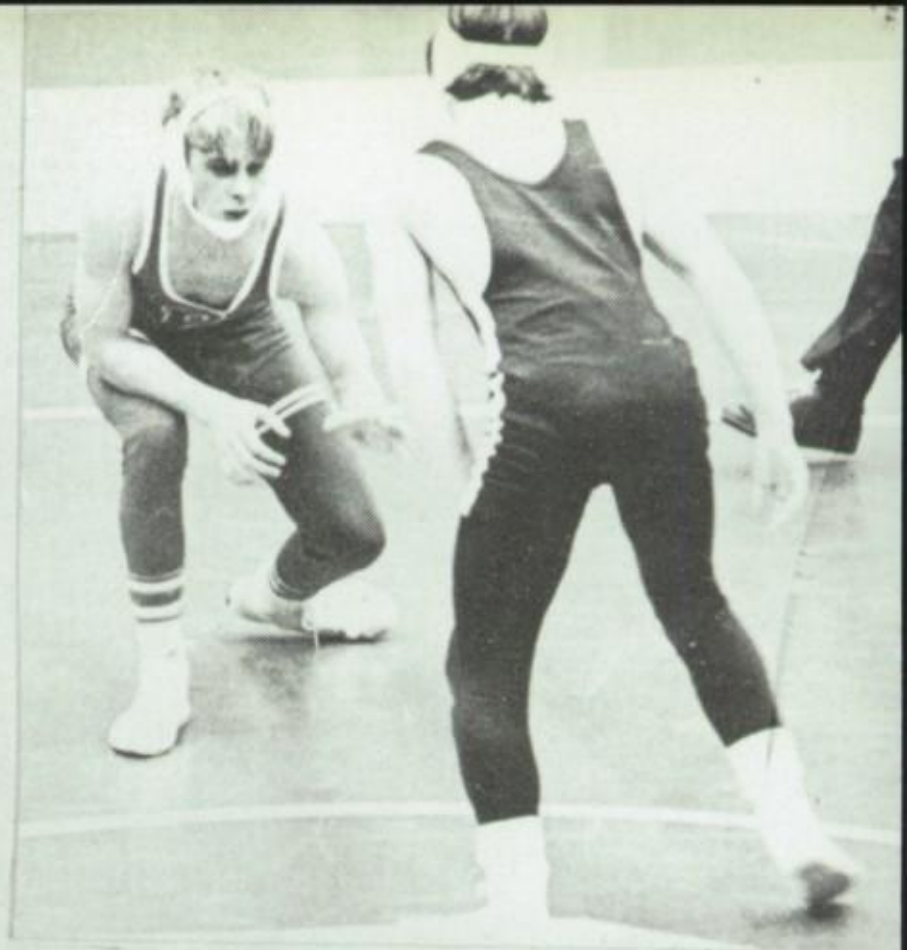

The 1972-'73 Wrestling Team produced an over-all match record of 7-7 this year with a 6-4 record in the Tri-County League. With a surplus in victories in the league meets, it is easy to see that the Tide had many fine wrestlers with impressive personal records. Those wrestlers with winning records were: Jim Cantwell (8-6), Ed Ballat (9-5), Ron Dermo (8-1), John Leonard (8-5-1), Mike Wesnoski (9-5), Wallace McFarland (8-6), and Emerson Cartter (13-1).

The seniors on the squad included: Emerson Carter and John Foley (co-captains), Ed Ballat, Steve Brady, John Leonard, Wallace McFarland, Ray Miske, and Rick Walters.

In District Eleven competition, Pottsville made its finest showing of many years. Ron Dermo, who was co-winner of the Outstanding Wrestling Award at Sectionals, reached the semi-finals on the district level. Emerson Carter became the silver medal winner as runner-up in competition.

1972 - 1973 BOYS' SWIM TEAM

When considering the merits or success of an athletic team, one often begins and ends his thinking with a glance at the won-lost column of the score book. While there is great importance associated with winning meets and completing a winning season, there are other benefits that can be seen beyond the number of victories one team can accrue. The team members were asked the following questions after the last meet: (1) Did you enjoy your participation on the team? (2) Did your times improve since last season? (3) Are you proud of your accomplishments? Since most of the team members could answer "yes" to these questions, it can be said that our first season in the East Penn Swim League was successful although we defeated only one team.

The five seniors who worked for the team were Dave Davis and Scott Delin (co-captains), Joe Puddu, Lou Gerstenfeld, and Tom Lowe. The Junior Class supplied us with three fine swimmers who will be tri-captains next year. These boys are Keith Loy, Kevin Burns, and Jim Brennan. Jim received special honors this year by being chosen the Outstanding Team Member by his teammates. The largest turnout was from the sophomore class. The six team members were Terry Stank, Ben Shollenberger, E. Davis, Fritz Holshue, Jon Lantz, and Ed Lang, all of whom saw action in the meets. Chris Daubert and Gene Matlock were the only freshmen on the team, but their efforts were easily noticed.

Jim Brennan and Terry Stank deserve special notice because their efforts during the second season secured for them the right to represent Pottsville at the District XI Swim Meet at East Stroudsburg State College on February 17th.

The record times and the names posted on the record have changed a great deal since last season. It makes interesting reading as it points out the great individual efforts and a strong team effort in the two relay events.

1972 TRACK AND FIELD

Track, much like wrestling and swimming, is both a team and an individual sport. As a team Pottsville faced stiff competition in the East Penn League and did not have the necessary depth in each event to win. P. A. H. S. did, however, represent itself finely in the Schuylkill County Relays where it took second place. P. A. H. S. also competed in the Penn Relays in Philadelphia.

Individually the Tide had some fine performers in its seniors of '72 and underclassmen. Ed Guers was a story in himself. The track star qualified and ran in the State Championships in both the 220 and 440-yard sprints. He won places in the All-League and District Eleven meets. In addition, he was a consistent winner in dual meets in the 100, 220, and 440-yard sprints and competed in relay events.

Ron Nolley and Clyde Lowthert were two other fine runners on the team. Ron was one of the most versatile athletes on the squad. He competed in the high hurdles, low hurdles, long jump, and triple jump during the dual meet competition. He placed in the All-League and District Eleven meets, in the hurdles, and qualified for the State Championships in the high hurdles. Clyde Lowthert was a big point winner in dual meet competition in the 880-yard run and in relay events. He won places in the 880 at the All-League and District Eleven meets.

Heading the weight events were Kevin Kimmel and Emerson Carter, two of the Tide's strongmen. Kevin scored in dual meet competition in the shot put and the discus. Emerson was a consistent scorer in the shot put all year. He placed in the All-League and District Eleven meets. Also, Ken Kimmel, fine javelin thrower, and Rick Richards, who competed in the shot, discus, and javelin, enjoyed good seasons.

At the top of next year's group of runners include Rick Devany, mile and two-mile runs, Joe Ginther, high hurdles and high jump, and Kevin Keating, low hurdles and sprints.

To win at track it takes long hours of sacrifice to get into the best possible physical condition. Also it takes a thorough understanding of the technique of your chosen event. This comes with practice and a willingness to learn. The mental phase of track plays an important role, also. To win, it takes confidence in your ability and sincerity to compete at your hardest level. Head Coach Laubach and his assistants, Mr. Ruch, Mr. Lazarchick, and Mr. Liddle, will do their best to put the spark back into the Tide.

First Row—L. Campion, R. Umberger, R. Walters, R. Bedway, I. Spector, S. Puddu, M. Smink.

1972 VARSITY BASEBALL TEAM

With every phase of the game functioning consistently, the 1972 Pottsville Area Baseball Team came through with a fine 13-5 record. Clutch hitting, fine fielding, and great pitching gave the Tide a well-rounded attack. The first season in the Hughie McGeehan League proved successful, with the team in contention throughout the year. Once again the city Championship was captured by P. A. H. S., thanks to its victory over Nativity in the final game of the season.

The '73 season should again be a prosperous one. Pitchers Pat Hobbs and Bruce Heffner will return to puzzle opposing hitters. Meanwhile, the batting chores will be taken care of by Jim Gillespie, Bruce Heffner, Al Holtzer, Erwin Spector, and Jim Sweeney. Good luck to Coach Steidle, his assistants, and the team in '73!

1972 GOLF TEAM

The 1972 Golf season at Pottsville Area was the most successful since the sport started. The record for the season was 10 wins and 3 losses. The League ended in a three-way tie between Pottsville, North Schuylkill, and Blue Mountain, with North Schuylkill edging the Tide in both matches by one-half point to win the title.

The team consisted of seniors Bill Jones, Griff Lindsay, Ken Bailey, Dave Bogage, Rick Miller, Dave Sherry, and junior Bob Jones. Bill Jones led the team for low medalist honors and came in second in the District 11 golf match held in Stroudsburg. This gave him the right to participate in the state tourney held at Penn State.

The J. V.'s earned a fine 5 and 2 won and lost record and show promise for the next two years. They are juniors Barry Flannery, Bruce Fellows, and Steve Miller. Sophomores Todd Kline, Bill Bogage, David Miller, and Mike Rosenberger made up the rest of the team.

The '72 edition of the Girls' Softball Team, under the capable coaching of Miss Ellen Hildreth, completed a fine season with a record of ten wins and four defeats. The season was characterized by good sportsmanship and teamwork on the part of everyone.

Miss Hildreth is looking forward to another promising season in 1973, as she has many fine underclassmen returning.

Graduating seniors included Fay Whalen, Colleen Brennan, Lynne Beury, and Barb Stiltner.

1972 P.A.H.S. GIRLS' SWIM TEAM

Co-captains for this year's Varsity Swim Team were Karen Stank and Carol Brennan.

This was the team's first year in the East Penn League. The girls met with stiff competition in the form of opponents such as Parkland, Upper Perkiomen, Allentown Allen, and Allentown Dieruff. The squad combined to bring home two victories and rewrite the home record board.

The girls also competed for the first time in a District Swim Championship held at East Stroudsburg State College. They made a fine showing, posting a few fourth and fifth place finishes in a field of 35. This year the girls will compete in the State Championships at Penn State University.

ALPHA IOTA DELTA

Alpha Iota Delta is an active service club in Pottsville Area High School. The Greek letter name of the club represents the word AID, the main service of the club—to serve both the school and the community. Some of the services performed this year include: donating to project HOPE, collecting for the March of Dimes and preparing a Christmas basket presented annually to a needy family in the community.

The club was chartered in 1950. Membership is limited to 25 girls—ten seniors, ten juniors, and five sophomores—who are chosen by the club on the basis of leadership, scholarship, and cooperation. This year, the two foreign exchange students, Angelika Schmidt and Pyta Galan-Galan, are honorary members.

This year, in addition to the annual Christmas luncheon, to which past A.I.D. members are invited, and the membership tea, where applicants for membership are introduced, the club also held a very successful sub sale.

The faculty adviser is Mrs. Kathy Polcrack.

AMERICAN FIELD SERVICE

The American Field Service is an organization that sponsors a foreign student in P. A. H. S. and a P. A. H. S. student in another country. This year we were fortunate to host Angelika Schmidt, our guest from Germany.

The club's main fund-raising activity was the selling of candy bars. The members worked hard this year in hopes of sending our two candidates, Carol Letcher and Kathy Flynn, abroad for the summer.

At Christmas time we gave a basket to a needy family. We also sponsored an A. F. S. weekend in March, when all the exchange students from local areas visited Pottsville. The club's able adviser is Mrs. Miriam Wagner.

REPERTORY COMPANY

The P. A. H. S. Repertory Company, composed of talented, enthusiastic, and ambitious members from all four high school classes, channel their energies into acting and directing plays, creating set designs, and handling such backstage business as lighting and sound effects.

The major understanding of the winter months was a children's theater production, *The Hobbit*, performed for all elementary students. During the spring, club members produced a number of one-act plays, performing them for local organizations and the high school student body. The highlight of the year's activities was a trip to the New Hope Drama Festival where the club competed with other drama clubs from Pennsylvania and neighboring states.

TAU KAPPA DELTA

Tau Kappa Delta is the oldest organization in P. A. H. S. It was organized in 1924 by Dr. Albert Knight.

For 48 years Tau Kappa Delta has offered its services for any reasonable request of the school administration or community. Some of the services rendered by TKD include: providing turkeys for needy families at Christmas, awarding of scholarship aid to a worthy senior planning to further his education in any field of study, the presentation of a trophy to the most valuable athlete of P. A. H. S., collecting caps and gowns after graduation, helping at the cross-country meets. TKD sponsored a contestant in the Football Queen Contest. During the Winter Carnival, TKD entered a float in the parade and helped the Pottsville Jaycee's on their annual apple-butter sale. Every Thanksgiving, a dance is held at the high school.

TKD membership is composed of seven seniors, four juniors, and two sophomores. A member for TKD is chosen on the basis of outstanding participation in at least one extra-curricular activity, qualities of leadership among his peers, and a satisfactory scholastic standing.

Mr. James Steidle is the current faculty adviser of TKD.

SENIOR Y-TEENS

The Senior Y - Teens organization, consisting of eleven girls, each year donates some part of its activities to community service.

The purpose of the Y-Teen Club is to help spread fellowship among the girls in our world today. Many projects are included in our activities, such as bake sales, sub sales, and windshield-washers. These projects help to send representatives to the Y - Teen Conference in the winter and in the spring. At these conferences girls from all around the area attend to help spread lasting friendship.

The key word to the Y-Teen Club and all conferences is fellowship. If we can spread friendship all over the world, our goal has been reached.

The Senior Y-Teens are under the capable guidance of Miss Karen Wytivich.

. . . CLASS HISTORY . . .

*Enter the young,
They've learned to think,
Not only learned to think, but to care,
Not only learned to think, but to dare.
Here they come, some are walking, some are riding . . .*

During our first year, the Class of 1973 came walking. We were walking through doors opening to a new experience, and leading us were our officers, Melanie Jefferson, Bob Wood, Sherry Dixon, and Steve Puddu. The excitement of being assembled with crowds of upperclassmen, and the excitement of walking through those huge halls filled us with the desire to become a unified part of Pottsville High. With a curriculum ranging from General Business to Academic, we rode high and met the challenges presented to us.

*Here they come, some are laughing, some are crying,
And some are doing, some are trying.*

Our sophomore year was certainly a year of doing and trying. Our efforts to enrich our treasury included the sale of class pins, bake sales and a dance. We were trying Algebra II and Biology. With our feet firmly planted in grammar, we weathered Miss Ryan's English class. World Culture's class held interesting things such as Japanese tea parties and Russian symphonies. Our officers that year were Melanie Jefferson, Sue Palko, Mary Jane McBreen, and Debbie Sterner.

*Here they come, and some are flying, some just gliding,
Released after years of being kept in hiding . . .*

Soon we were juniors, and it seemed as though we had been flying through time. We were released from hiding and given the title of upperclassmen. Out from hiding came a united class, striving for betterment and working toward our final goal by organizing more bake sales, another dance, and a sweater sale. Our leaders that year were Melanie Jefferson, Kevin Keating, Melanie Leininger, and Michele Leininger. Some of us began our year attacking Chemistry and Geometry and hoping for the best, but before we knew it, final exams had rolled around and it was time to reap what we had sown.

*Here they come, some with questions, some decisions,
And some with facts and some with visions,
But demanding recognition one by one . . .*

We were seniors at last and we occupied the front rows of the auditorium and cheered the last "Fight, Team, Fight" at pep rallies. Most of us had decided on our futures, while others were still wondering what would be best for them. A busy year had begun. It was a year filled with parties, dances, visits to colleges, and plans for graduation. Our production of the play, *Sight Unseen*, which included a very talented cast and a great number of workers, proved to be a great success. Despite all this excitement, we managed to find time for academic achievements. Dances, bake sales, the prom, all-night party, and banquet were activities that kept our officers busy. They were Bob Wood, Fran Tassone, Melanie Leininger, and Michele Leininger.

As we watched films of us as freshmen on Class Day, we laughed at how we had changed. We had changed in many ways. As we filed out of the auditorium, after singing our class song, our hearts were filled with a feeling of maturity and a twinge of uncertainty.

Soon the day had arrived. As we attended Commencement, listening to the words of Dr. Davidson, we realized that our high school days had come to an end.

Those were the days of laughter and tears, of growing up and sharing. Those were the days that still linger as warm memories of the best times of our lives, and we will always remember that at the end of those days, we had

*Not only learned to think, but to care,
Not only learned to think but to dare,
As the Class of 1973 said to the world . . .
Enter the young!*

Class Song 1973

(Fire and Rain)

Refrain -

Class Song 1973

Lyrics by
Linda Walters

Four very short years of our life have passed by,
But our memories shall never die
As we look back on laughter and tears,
Always remember those great four years.

Refrain -

Oh! we've seen tears and we've seen smiles,
We've seen many days that we thought would never
end.

We've seen lonely days when we could not find
a friend,

But we'll always keep our thoughts of '73.

When we look down upon the years, we have to try
to understand,

We tried to give each other a helping hand.

Our time has ended and we all must depart,
We'll always keep the memories in our heart.

Refrain -

Now I'm walking away and leaving my friends, my back
turned toward the years.

Lord knows when I'm all alone and I have so many
fears,

Now hours of time to prepare ourselves and learn about things to
come,

Refrain -

Now as we leave our School to become someone.

THE SENIOR CLASS PLAY

All the absurdity and calamity of a haunted English manor was included in the Class of 1973's senior class play, *Sight Unseen*. This humorous play told the story of a young English lady who tried to sell her house despite the revolting efforts of the ghosts inhabiting it.

During the months preceding the play, many senior class members were busied with preparation. Committees of hard workers advertised, organized programs, constructed the set, and appropriated costumes. For the cast the time preceding November 15 and 18 was filled with seemingly unending practices.

The Class of 1973 would like to extend their gratitude to all who helped to make this play a success, especially Miss Sherrill Silbering and Mrs. Geraldine Korenda, without whose capable direction this production would not have been possible.
